## ISSUE

November 2012

*"May the Lord show you His favor and give you peace."*

(Nu. 6:26)

## **GOSPEL IN FIRST TEN NAMES OF BIBLE PATRIARCHS**

*By Dr. Pierre J. Samaan*

Whenever my wife and I drive to visit our sons who live four and eight hours away, we like to listen to prophecy CD's. It keeps us current with Bible prophecy. There are times what we hear increases our faith and gives us great excitement. Both of us have a special place in our hearts for prophecy because that is what God used to bring us to salvation over 40 years ago.

Since that time we have listened to old and new prophetic messages. On this particular trip we were listening to Perry Stone<sup>1</sup> (Our three favorites are Perry Stone, Hal Lindsey, and Jack Van Impe). I knew right away we needed to share this with all of you, so as I was driving, I quickly said to Linda, "We need to write this down before this CD disappears."

In Genesis chapter 5, there is listed the names of the patriarchs who lived before the Flood. Their lifespan for each was about 900 years. Yes, I have heard that this number of years is possible if certain rays of the sun were blocked by a screen of ice above the earth's atmosphere. Remember that before the Flood there was no rain.

*"<sup>5</sup> When no plant of the field was yet in the earth and no herb of the field had yet sprung up, for the Lord God had not [yet] caused it to rain upon the earth and there was no man to till the ground," (Genesis 2:5 AMP)*

The earth was watered by early morning dew, thick enough to water all life, and water bubbled from the springs beneath the earth's crust. Read the Flood story in your Bible and pay attention to where the waters came from.

<sup>1</sup>Stone, Perry, *Mysteries Reserved for the End-Time; Hebraic Mysteries Now Made Known*, CD, Voice of Evangelism, Cleveland, TN.

*"<sup>4</sup> For in seven days I will cause it to rain upon the earth forty days and forty nights, and every living substance and thing that I have made I will destroy, blot out, and wipe away from the face of the earth." (Genesis 7:4 AMP)*

*"<sup>2</sup> Also the fountains of the deep and the windows of the heavens were closed, the gushing rain from the sky was checked," (Genesis 8:2 AMP)*

Sorry, I digressed for a moment, let's get back to the subject.

These first ten names of the patriarchs in the Bible are 1. Adam 2. Seth 3. Enosh 4. Cainan 5. Mahalalel 6. Jared 7. Enoch 8. Methuselah 9. Lamech 10. Noah.

As you know, God has multiple meanings for much of what has been written in the Bible. Some meanings are immediately recognizable while other meanings may be sealed, to be opened at a later time in history. I believe such is the interpretations of the Hebrew names of the first ten patriarch names in the Bible. Remember, these names have not been manipulated, they are listed in chapter 5, in the same order that I have written for you to see.

As most of you know, in most languages of the world, names have meanings. My first name is French, "Pierre." In English it would be "Peter," meaning "rock." The story goes that when the doctor held me up he said, "Your new son has a head like a rock!" I'm still not sure if that was a compliment or not.

In the Hebrew language the meanings of the first ten patriarch names in Genesis 5 are:

	<b>ENGLISH</b>	<b>HEBREW MEANING</b>
1	Adam	man
2	Seth	appointed
3	Enosh	mortal
4	Cainan	sorrow
5	Mahalalel	The Blessed God
6	Jared	to come down
7	Enoch	Teacher
8	Methuselah	His death brings
9	Lamech	despairing
10	Noah	rest

Put together the interpreted Hebrew names of Genesis 5, and you will get;

***"Man (is) appointed mortal sorrow the blessed God to come down Teaching His death brings (the) despairing rest." (parenthesis added)***

It's O.K. to shout now!

Wow! God is GOOD! He gives us proof of Himself in all that has been created and written. They certainly did not know about the birth and life of Jesus Christ when the earliest

scrolls were written. How do you like that! The entire Gospel message written in such a brief message for only those in later history to understand.

By the way, Linda looked up each Hebrew name to make sure what we heard was true.

Here is another interesting note. Do you know what happened to Enoch, the Teacher? He never experienced mortal death, but was taken up (translated) by God in a similar manner as Jesus Christ was resurrected and left us to be seated at the right hand of The Father. <sup>24</sup>"And Enoch walked [in habitual fellowship] with God; and he was not, for God took him [home with Him]." (Genesis 5:24 AMP)

Is this also a preview of prophetic things to happen, such as the Rapture of the Church before the Anti-Christ is revealed leading into the seven year Tribulation?

*"The man is a fool who says to himself, 'There is no God!'"* (Psalm 14:1)

*"For there is only one God and one Mediator who can reconcile God and humanity—the man Christ Jesus."* (1 Timothy 2:5)

*"If you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved. For it is by believing in your heart that you are made right with God, and it is by confessing with your mouth that you are saved."* (Romans 10:9-10)

## **NEW RESEARCH FINDINGS**

### **STUDY FINDS MODERATE ALCOHOL CONSUMPTION DECREASES NUMBER OF NEW BRAIN CELLS**

Drinking a couple of glasses of wine each day has generally been considered a good way to promote cardiovascular and brain health. But a new Rutgers University study indicates that there is a fine line between moderate and binge drinking a risky behavior that can decrease the making of adult brain cells by as much as 40 percent. ### **HALF A BILLION PEOPLE EXPOSED TO DIRECT CARCINOGENS BY CHEWING BETEL QUID**

Chewing betel quid - the fourth most popular psychoactive substance in the world after tobacco, alcohol and caffeine - exposes its 600 million users to substances that act as direct carcinogens in the mouth, scientists are reporting in a new study. Read article at: <http://www.medicalnewstoday.com/releases/251998.php>

### **NEW EYE MOVEMENT TEST CAN DIAGNOSE SCHIZOPHRENIA**

Researchers have developed a series of new eye tests in order to differentiate between individuals with schizophrenia and those without it, according to a recent study published in Biological Psychiatry. Read article at: <http://www.medicalnewstoday.com/articles/252123.php>

### **MAGNETIC BRAIN STIMULATION CURES DEPRESSION WITHOUT AFFECTING SLEEP**

Strong magnetic stimulation of the frontal lobe of the brain can reduce symptoms of depression and does not adversely affect sleep or arousal, which is common with use of anti-depression medications. Read article at: <http://www.medicalnewstoday.com/articles/252082.php>

### **AUTISM EARLY INTERVENTION FOUND TO NORMALIZE BRAIN ACTIVITY IN CHILDREN AS YOUNG AS 18 MONTHS**

An intensive early intervention therapy that is effective for improving cognition and language skills among very young children with autism also normalizes their brain activity, decreases their autism symptoms and improves their social skills, a nationwide study has found. The researchers said the study is the first to demonstrate that an autism early intervention program can normalize brain activity. Read article at:
